i am disabled from working to save the earth. i have
no cash to give only prayers to those who carry on.

please carry on. please let me know if there is anything
i can do.

i would love to be connected to my native roots.
my mother's maiden name: rainbolt

im a bit lost in this world just now. i give emotional
support to those yet fighting exxon re the valdez spill in
1989. i know what it is like to work with the government.
i know who the government is.

i know we must save the earth and our spirits or all will
be extinct.

most sincerely,
